FROM HUMBLE BEGINNINGS...

So who would ever guess that the Parcheesi-playing fugitives of “the home for the visually offensive” would see their 1983 creation in Clearwater, Florida, become an American icon and international phenomenon?

Certainly not the Hooters Six, who proudly respond, “What the heck is an icon?”

Well, many might say it's a refreshing beach joint with really great food. An oasis to millions in hundreds of locations in nearly 30 countries worldwide. Or it could be about winning the 1992 Winston Cup Championship, or the 1995 “Washington Get a Grip” campaign, or Hooters Air, or Hooters Casino, Hooters food, Hooters Calendar, Hooters USO tours, Hooters wings, Hooters community outreach or the Hooters War on Cancer ...

... and, of course, the iconic Hooters Girl and the phenomenon that there are 300,000 of them. Wow! Please accept our thanks to all of you who make it so exciting and heartening ... sit back and enjoy the oasis you helped create. If there is anything iconic you require, please ask. Within reason, of course.

AND REMEMBER,
YOU AIN'T SEEN
NOTHING YET!
